Experience Authentic Amish Craftsmanship

Welcome to the **Ozark Cabin**—a cabin unlike anything you'll find in Texas, built with Amish-quality craftsmanship and attention to detail. The Ozark Cabin combines rustic charm with modern convenience, creating a perfect escape or living space for your family.

Built with Premium Quality:

Each **Ozark Cabin** comes standard with:

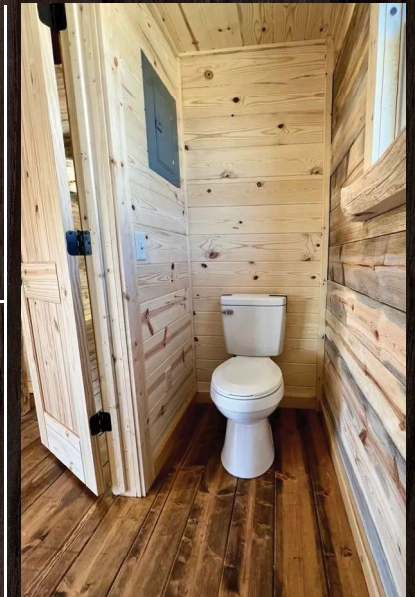

- ➔ **4x6 D-Logs** for that authentic log cabin feel.
- ➔ **R-19 Insulated Roof System** and **R-19 Insulated Wood Floor System** for energy efficiency and comfort.
- ➔ **1x8 Tongue & Groove Pine Ceilings and Soffits** for natural beauty and durability.
- ➔ **1-30" 9-Light Door** for a warm and welcoming entryway.
- ➔ **2-30"x48" Windows** to let in ample natural light.

Explore the Interior

The interior of the Ozark Cabin offers rustic elegance with modern amenities. Check out the beautiful kitchen with Hickory cabinets, solidwood floors, and high-quality appliances. The space is designed to be cozy yet functional, perfect for your weekend getaway or year-round living.

- ➔ **Customizable Interiors:** From kitchen layouts to loft spaces, you can make this cabin truly yours.
- ➔ **Open Floor Plan:** Featuring vaulted ceilings and exposed beams, the Ozark Cabin feels spacious and airy.

Make It Your Own

The Ozark Cabin can be fully customized with additional features and upgrades, including:

- ➔ **Electrical Packages** with outlets and lighting to suit your needs.
- ➔ **On-demand Water Heaters** for continuous hot water.
- ➔ **Full Kitchen Options**, including a refrigerator, microwave, and sink upgrades.
- ➔ **Loft Add-ons** for extra space and storage.
